Week 3 News – 2019-2020 School Year

Principal's Message

We have now been in school for almost 2 weeks, and it has been a great start! Thank you for making me feel welcome within a new community. I'm excited to see where this year will take us. We have a great night ahead of us on Wednesday! Please join us for Back to School Night starting at 5:45PM in the cafeteria. The event will go until 7:00PM in the classrooms.

School Site Council Vacancies!

We are looking for **three** parents to serve as advisors and members of our **School Site Council (SSC)**. Site Council members help to create the school plan that focuses on improving student achievement. The council monitors the progress of the plan throughout the year and evaluates the school's instructional program and program. Members can contribute ideas and share thoughts from other Tafoya parents and families. **This is an important job.** It is a two year term. Meetings times will be determined by the new team. However, our first meeting will take place on September 10, 4:30 – 5:30PM. Please contact Lyssa Perry at lyssa.perry@wjusd.org or come by the SSC Table at Back to School Night!! Our school CANNOT run without a functioning SSC.

Important Dates:

Back to School: 9/4 5:45PM
SSC Meeting: 9/10 4:30PM

Lunch Information

Tafoya Families, it is our every intention to ensure your child becomes independent can do things on their own. We ask that parents only join their students in the cafeteria for special occasions. We do WANT parents to be a big part of their child's life. That being said, we would like to invite you to our first parent-student lunch on September 27th! More info to follow.

Birthday Celebrations

Birthdays are a wonderful thing to celebrate. Each classroom will make sure your child has an opportunity to celebrate if they wish. However, we are asking that you keep all birthday treats at home. If you would still like to send something to school to celebrate your child's birthday, please feel free to send non-edible items or goodie bags filled with non-edible items (pencils, erasers, etc.). Thank you and we appreciate your support!
